Garden State Bulb

ships into peak season with Business Central recovery

Bitta Apps leads time-pressured turnaround after troubled Business Central migration put revenue at risk

Microsoft Dynamics 365 Business Central

AL Development

Intercompany

Warehouse

Manufacturing

Retail EDI

“ It's night and day here now, how we're operating with shipping.
Michael Nguyen, Director of Business Systems, Garden State Bulb

up to **95%** fewer

intercompany issue reports over five weeks of heavy shipping (from ~35 down to a 1.5 on average)

about **3.5** Months

needed to resolve long-standing, and expensive systems problem (after more than a year of pain)

about **40%**

of the system owner's time now spent on systems issues (down from 120%)
